COSMETIC REPAIR INSURANCE

KEEP YOUR CAR LOOKING GREAT AND HELP PROTECT ITS VALUE AT PART-EXCHANGE.

A SIMPLE, EASY AND HASSLE-FREE WAY TO REPAIR DAMAGE TO YOUR BODYWORK.

Why put up with irritating cosmetic damage?

With parking spaces getting narrower and cars getting wider it's often a worry when leaving your car at the mercy of other drivers in a car park. But it's not just car parks. Hidden bollards, gate posts, shopping trollies and not to mention other peoples' carelessness can all be causes of irritating dents, scratches and scuffs.

Even the smallest of scratches can be costly to repair. It often results in either a claim on your motor insurance, paying an excess and losing your no claims discount, or a trip to a body shop where you could be without your car for days while it's repaired.

It's no surprise that people often leave cosmetic damage un-repaired, affecting both the appearance and value of their vehicle.

But what if we told you we could take the hassle out of repairs with Ford Cosmetic Repair Insurance?
