

Why Automotion is the warranty for you:

- Up to 3 years warranty available for most makes and models
- Access to an extensive national repair network
- Unlimited mileage
- Unlimited claims up to vehicle purchase price
- Cover for all the latest in-car tech
- Cover for all types of fuel - including electric
- No restriction on manufacturer-approved parts
- Transferable to new owner if you sell privately

Optional extras

Automotion Breakdown Assistance

For half what you'd normally pay, you can add top-of-the-range breakdown assistance when you take out an Automotion warranty.

MOT Test Warranty

Add cover for items that might cause your vehicle to fail an MOT test. Available for one, two or three consecutive MOT tests.

To learn more, watch the Automotion warranty video here.

* Please check your terms and conditions for clarification of individual claim limit or ask your sales executive for further details.

Vehicle age and mileage eligibility

Automotion has two levels of cover. Eligibility is determined by the age and mileage of the vehicle at point of sale, with unlimited mileage thereafter. Choose a claim limit which best suits your needs.

Cover level	Vehicle Age/Mileage Eligibility		
	Gold	Silver	Silver
Vehicle age	0 - 10 years	0 - 10 years	10 - 15 years
Vehicle mileage	0 - 100,000 miles	0 - 100,000 miles	100,000 - 150,000 miles
Type of cover	All Mechanical & Electrical Cover	Listed Components	Listed Components
Individual Claim Limit			
Vehicle Purchase Price	✓	✓	✗
£2,000	✓	✓	✓
£1,000	✓	✓	✓
Total aggregate claim limit for all warranties is the vehicle purchase price.			

Claim limit example:-

An individual claim limit of £2,000 would mean that with a vehicle costing £7,995, you could make any number of claims, up to a total aggregate of £7,995. However, no individual claim can be for more than £2,000.

N.B. Claims for Multimedia unit (inc Sat Nav and Bluetooth), with a Vehicle Purchase Price claim limit, are capped at £3,000.
